TONNAGE UPGRADE

Dear Customer,

In response to the growing customer demand we are pleased to announce the introduction of bigger and faster vessels on our Finbest service.

The new vessels names are:

Mv Ragna – delivery Rotterdam 26.11.2009

Mv Dornbusch – delivery Rotterdam 30.11.2009

Mv Gerda - delivery Rotterdam 3.12.2009

They have capacity of 500 teu each, the speed of 15.5 kn and the highest ice class.
With new vessels our service will be more reliable.

We look forward to continue serving you and ask you kindly to consult our webpage – www.tschudilines.com – or your local Tschudi Logistics office for further details.

Sincerely Yours,
Tschudi Lines Baltic Sea AS
